

Role Profile

C5272 SO2 Establishment Control Supervisor

Role Description

To ensure a comprehensive Establishment Control provision within Avon and Somerset Police. Leading the Establishment Control Team to provide comprehensive guidance and direction to leaders across the organisation to ensure the establishment is up to date and accurate at all times, by ensuring the correct application of all relevant organisational rules, guidelines, and protocols.

Main Responsibilities

To manage the Establishment Control team by monitoring and supporting ongoing development of team members, effectively managing performance, wellbeing and addressing training needs as required.

Undertake preparation of performance reports, to include statistical and qualitative data as required, to drive continuous improvement that is aligned to business needs to provide added value and enhance the quality of the service provided and ensuring processes are fit for purpose and being applied effectively.

Take ownership for the resolution of more complex cases and oversee organisational restructures, leading on and coordinating larger restructures and those with an organisational impact within the system.

To develop and maintain close working relationships with a variety of internal and external stakeholders in order to ensure establishment control protocols are adhered to, influencing, and negotiating with senior managers and other interested parties where necessary.

Proactively provide knowledge-based guidance and direction to operational and enabling teams based on understanding of establishment control processes, providing subject matter expertise.

To take a lead in the development and maintenance of systems and processes that impact on establishment management, to ensure that data is accurate and organisational requirements are met.

To manage the design, creation, and delivery of streamlined establishment control processes to ensure accuracy of establishment data within relevant systems

Production of accurate, consistent, and reliable reports to HR and Finance colleagues to enable informed decision making. Bringing HR and Finance establishment information together to provide one version of the truth.

To oversee audit compliance, including HR System role maintenance and HR System licensing (in conjunction with the HR System IT Support Team) and ensure agreed key performance indicators or service level agreements are achieved
