

Role Profile

C5938 SO1 Technical Support Adviser

Role Description

The core purpose of the role is to provide technical assistance, support and development for the IT Directorate and the Constabulary.

Main Responsibilities

- The post holder provides a range of support services for the Constabulary within the IT Directorate's technical areas of Servers, Systems, Database Management and/or Development, Unix, Voice Networks, Data Networks, Security, Application Support, Application Development and Desktop.
- The service will include the assistance with the administration, maintenance, development, installation, configuration and support of all devices, infrastructure and applications for the IT Directorate. The delivered services will operate to agreed performance standards.
- Works within a designated team and across virtual teams as necessary.
- Provides technical knowledge to a range of technical support and development services. This will include, but is not limited to, the following:-
 - o Provision, development and solution.
 - o Installation and configuration
 - o Inputs to development of standards
 - o Service monitoring, pro-active prevention and associated maintenance.
 - o Fault diagnosis and resolution.
 - o Upgrades.
 - o Undertakes various technical activities.
 - o Liaison with third-party suppliers.
 - o Provision of technical advice and guidance to Clients.
 - o Understands and complies with use of all standard procedures and processes.
- Ensures that the application/service operates to professional standards of quality and performance in terms of stability, availability and security
- Supports the works and advises on an agreed range of performance outcomes, to pro-actively recommend service improvement measures. Undertakes developmental or remedial actions as directed in response to review or business feedback.
- Delivers tasks within technical projects, assisting in the development and implementation of solutions. Uses a combination of technical knowledge and interpersonal skills, including consultation skills.
- To assist with the maintenance and development of technical documentation to departmental standards
- To share learning and information where appropriate with other IT directorate members.

SO1

Supervisory Responsibility

None

Additional Information

Avon and Somerset Constabulary are committed to the principles of Equal Opportunities for all and welcome applications from minority groups including disabled people.

Reasonable adjustments

Following consideration, reasonable adjustments will be implemented to enable disabled staff covered by the provisions of the Equality Act to undertake the core duties and responsibilities of a post in line with the Equality and Human Rights Commission (EHRC) guidance and code of practice on employment.

Additional Responsibilities:

You may be required to perform other duties which are not necessarily specified on the role profile, but which are commensurate with the responsibilities of the role holder.

Security Vetting:

It is the policy of the Avon & Somerset Constabulary to conduct security checks on all staff in line with the National Vetting Policy.
